

**IN THE SPECIFICATION:**

Please add the following paragraph after line 27 of page 4 of the "Brief Description of the Drawings" of the present specification:

"Fig. 13A is a sectional view of a panel and a plurality of column spacers formed thereon for the LCD shown in Fig. 12 before panel combination according to an embodiment of the present invention;"

Please replace the paragraph beginning on page 16, line 19 with the following paragraph set forth below:

"A plurality of first, second, and third column spacers 321-323 having the same height are formed on the blue filters 230B, the green filters 230G, and the red filters 230R, respectively. The heights of top surfaces of the first to the third spacers 321-323 are different due to the different thickness of the color filters 230B, 230G, 230R as shown in Fig. 13. The thickness of the green filters 230G and the red filters 230R may be equal to equalizing the top heights of the second and third spacers 322 and 323, as shown in Fig. 13A."
